

## NEW YEAR PRAYERS

Having celebrated and worshiped the coming of our Messiah, Jesus Christ, let us continue to welcome Him into our hearts and lives as we begin a New Year, let us go out, proclaiming Him as the Saviour of the whole world, a redeemer for all people, bringing love and new life. Amen

### Prayers of thanks

Lord Jesus Christ, it is so wonderful to know of Your incarnation, that You really came in the flesh, have walked where we walk, have felt what we feel, and that time and time again You could not get away to pray because of the pressures of every day. It is so wonderful to know that You came that we might find You in the pressure of life; we are released that You are with us every day. Amen (Rev. G. F. MacLeod)
