

PRAYERS FOR THE MONTH OF FEBRUARY

"We must always give thanks to God for you, brothers and sisters, as is right, because your faith is growing abundantly, and the love of everyone of you, for one another, is increasing." (2 Thessalonians 1 v 3)

~~~~~

Jesus, you've made me new, touched all I say or do. Can love like this be true?

Jesus, what can I say? I can't such love repay, yet I must find some way!

Jesus, my Lord and King, my love to you I bring, my all, my everything. (Nick Fawcett)

Prayers of Thanks

- For the word of God, teaching and guiding us in our daily lives.
 - For the comfort of The Holy Spirit, helping us to feel that God is with us always.
 - To all, for the prayers, care and concern for those in need in our church family, and those known to us personally.
 - For all the new people joining our church family.
 - The continuing work of The Hub, The Grand and Food Bank, sharing God's love.
- ~~~~~

No more worry, you are here, bringing peace instead of fear, reaching out in tender care, sharing burdens hard to bear. From the old you bring the new, giving strength to see me through. Lord on you I can depend, for your love will never end. (Nick Fawcett)

### Prayers of Concern

- For Israel & Palestine, Ukraine and Russia, Especially the innocent people who are suffering, and other areas that are caught up in the conflicts, including Jerusalem and Iran. That war will cease, and there will be peace in the hearts of the leaders.
  - For areas, and people, that continue to be affected by extremes of weather.

Lord, there are times when the questions run fast – times when I fear that my faith will not last. Hear me, support me and help me get through. Lead me through darkness till light shines anew. (Nick Fawcett)
